therefore decided, through general family conterence, that it would be well for ner to come up from the Cape early in the spring, settle down at the mouse on Joy Street and gradually drift into the current of the proper prehimaries to a formal entry into society.

Neither Old Mrs. Forbes nor Emily had ventured to hope that Priscilla would make much of an impression at the Empire Dance or the Frishman Junilea, and were therefore agreeably surprised to find that she was able to more than nold her own on both of these occasions. They had taken it to granted that she would do better at the pseudo-rustic barn dances which were featured among the spring testivities, the synthetic Hofbran on Stanhope Street and the four-course pienne suppers on Buzzard's Bay. They had likewise tell atmost certain that she would like wise tell atmost certain that she would be suppers on Buzzard's Bay.
